ELECTION RULES AND PROCEDURES

1. All candidates or Members advocating a point of view shall have equal access to Association media, newsletters, and websites during a campaign for purposes reasonably related to that election. The Association will not edit or redact any content from these communications; however, the Association may include a statement specifying that the candidate or member, as applicable, and not the Association, is solely responsible for the content of the communication, and that the Association was required by law to publish the communication verbatim, regardless of content.

2. All candidates or Members advocating a point of view will have equal access, at no cost, to any common area meeting space during a campaign for purposes reasonably related to the election.

3. Pursuant to Article 5 Section1 of the Association’s Bylaws, in order to be a candidate for election to the Association’s Board of Directors, you must be an Owner of a Lot in Artisan at Chino Hills Maintenance Association.

4. Owners who satisfy the eligibility requirements for election to the Board of Directors may become candidates by either (a) submitting a Candidate Form (available from the Management Company) at least thirty (30) days prior to the date of the Annual Meeting, (b) being nominated from the floor at the Annual Meeting (self-nominations from the floor are permitted), or (c) be nominated by the Nominating Committee.

5. Record dates for determining Members entitled to receive notice of the meeting and for determining Members entitled to vote at the meeting shall be established in accordance with the Associations By-Laws Section 7, and Corporations Code Section 7611.

6. Each member of record whose voting rights have not been suspended by the Board of Directors is entitled to vote. Each Membership is entitled to one (1) vote on each issue being voted on (except election of Directors, in which case each Membership is entitled to one (1) vote for each position on the Board to be filled at the election).

7. The Association will not distribute proxies for elections subject to Civil Code Sections 5100(a), 5115(b)-(c)). For those elections in which proxies are used, in order to be counted the proxy must (a) identify a proxyholder (who must physically attend the meeting for which the proxy is being exercised), (b) contain voting instructions, and (c) be signed by the member giving the proxy. A proxy that does not satisfy these requirements will not be counted. Any instruction given in a proxy issued for an election that directs the manner in which the proxyholder is to cast the vote must be set forth on a separate page of the proxy that can be detached and given to the proxyholder to retain. The proxyholder must cast the member’s vote by secret ballot.
8. The voting period for member meetings subject to Civil Code Section 5115 (a)-(c) shall commence when the first ballot is mailed or delivered to a member of the Association, and shall end at such time as the inspector(s) of election determine the polls close, in accordance with Civil Code Section 5110(c)(b). The voting period for member meetings not subject to Civil Code Section 5115(a)-(c) shall commence at the meeting at such time as the person presiding over the meeting declares the voting period commences, and shall end at such time as the inspector(s) of election determine the polls close, in accordance with Civil Code Section 5110(c)(6). For those elections conducted by written ballot without a meeting in accordance with Corporations Code Section 7513, the voting period shall commence when the first ballot is mailed or delivered to a member of the Association, and shall end at such time as is specified in the ballot.

9. At least sixty (60) days prior to any meeting of Members (or, in the instance of elections conducted without a meeting pursuant to Corporations Code Section 7513, at least sixty (60) days prior to the deadline by which ballots must be received in order to be counted), the Association’s Board of Directors shall select either one (1) or three (3) independent third parties, in its discretion, to serve as inspector(s) of election. An “independent third party” who serves as inspector of election may include, but is not limited to, (a) a volunteer poll worker with the county registrar of voters, (b) a licensee of the California Board of Accountancy, (c) a notary public, (d) a member of the Association who is neither a director, a candidate for election as director, nor related to a director or candidate for election as director, (e) a person who is currently employed by or under contract to the Association for compensable services, including but not limited to the Association’s management agent, accountant, or counsel.

10. The inspector(s) of election shall perform the following duties:

(a) Determine the number of Memberships entitled to vote and the voting power of each;

(b) Determine the authenticity, validity, and effect of proxies, if any;

(c) Receive ballots;

(d) Hear and determine all challenges and questions in any way arising out of or in connection with the right to vote;

(e) Count and tabulate all votes;

(f) Determine when the polls shall close;

(g) Determine the result of the election; and

(h) Perform any acts as may be proper to conduct the election with fairness to all Members in accordance with Civil Code Section 5110(c)(8), 5110(d) and all applicable Association rules regarding the conduct of the election that do not conflict with Civil Code Sections 5110(c)(8), 5110(d).
11. An inspector of election shall perform his or her duties impartially, in good faith, to the best of his or her ability, and as expeditiously as is practical. If there are three (3) inspectors of election, then the decision or act of a majority shall be effective in all respects as the decision or act of all. Any report made by the inspector(s) of election is prima facie evidence of the facts stated in the report.

minutes of the **next meeting of the Board of Directors**, (ii) available for review by the Association’s Members, and (iii) publicized within fifteen (15) days of the election in a communication directed to all Members;

(k) The sealed ballots shall at all times be in the custody of the inspector(s) of election or at a location designated by the inspector(s) of election until after tabulation of the vote, at which time custody shall be transferred to the Association;

(l) After tabulation, the Association shall store ballots in a secure place for no less than one (1) year after the date of the election;

(m) In the event of a recount or other challenge to the election process, the Association shall, upon written request, make the ballots available for inspection and review by Members or their authorized representatives.
