

PROMONTORY POINTE HOMEOWNERS ASSOCIATION

November 14, 2022

Dear Homeowner:

Painting of the homes at Promontory Pointe Homeowners Association is long overdue; thus, the homes are in need of a fresh coat of paint. The Board of Directors is requesting that homeowners of each building to come together to get homes painted by June 1, 2023. This is also the time that if any vents, dents, insulation/caulking and molding are currently damaged or need repair in any way, it is your responsibility to repair prior to the commencement of painting. You will need to come together with the owners of your building to agree on a professional painting company, start time and shared costs of the paint job for your specific building. The Board of Directors has assigned paint color schemes from Sherwin Williams based on your address. Please find the enclosed paint color scheme chart with this letter. To view the color schemes online go to: <https://www.sherwin-williams.com/homeowners/color/find-and-explore-colors/hoa/moreno-valley/ca/promontory-pointe/>. Your painter must use Sherwin Williams brand paint in the color scheme for your building to ensure that colors match. Maintaining the overall aesthetic appeal of the Association is each homeowner's responsibility, and we would appreciate your attention to this matter.

Thank you in advance for your cooperation. If you should have any questions, please contact our office.
